

GAL FROM GOWANUS

B
I'm in love with a gal
E
Who lives right on the Gowanus Canal
B
She don't exactly smell like a rose
E
I keep a clothespin clipped to my nose
F#
I'm in love with a gal
E B
Who lives right on the Gowanus Canal

B
She's radioactive and it puts me in bliss
E
I could get cancer just from a kiss
B
She rips off my shirt, says ready or not
E
Then gives me a heck of a malaria shot
F#
I'm in love with a gal
E B
Who lives right on the Gowanus Canal

B
When I sleep over I always dream
E
She's got three heads and they're all neon
green
B
In the morning she draws me a bath
E
With a disinfectant she made from scratch
F#
I'm in love with a gal
E B
Who lives right on the Gowanus Canal

B
Whenever it rains, it stirs up the sludge
E
What floats by her window, I do not judge
B
They'll clean it up, it's just a matter of time
E
She gave the EPA a piece of her mind
F#
I'm in love with a gal
E B
Who lives right on the Gowanus Canal

B
I don't care what anyone thinks
E
I don't care how much she stinks
B
I never met anyone like her before
E
Her mind is dirty and her heart is pure
C#m
I'm in love with a gal
D#m
