

## STILL SHY

F

I'm like a dove

Gm

Calling to his love, so quietly

Am

Gm

None of the other doves can hear

F

When I say your name

Gm

I say it silently

Am

Gm

As you tuck a strand of hair behind your ear

A# Dm

You and I

Am

Just sharing a piece of pie

A#

F

Still shy, after all this time

F

You're like the moon

Gm

Behind a cloud, blushing

Am

Gm

Though I've seen it naked a million times before

F

Your back is turned

Gm

As you sit on the bed, undressing

Am

Gm

One boot then the other dropping to the floor

A# Dm

You and I

Am

Just lying side by side

A#

F

Still shy, after all this time
