

TONGUE-TIED

C
I can't look at you and talk at the same time
Em
I'm silent as a mime
F Dm
The kind that haunts a child's mind

C
When you hold my hand I'm incapable of speech
Em
The words are out of reach
F G
They packed a lunch and hit the beach

chorus:
F C
Tongue, in a fisherman's knot
F C
Songs, stuck in my heart
F C
Been so long I forgot
Dm G
How they make me dance and make me cry
C
Tongue-tied

C
How could I communicate my feelings for you?
Em
Words would never do
F Dm
Like throwing peanut shells at the moon

C
I'm as quiet as a monk who took a vow
Em
To shut my foolish mouth
F G
And just listen as you breathe in and out

[repeat chorus]
